G-2, USARPAC Project Listing

1. The attached G-2 USARPAC Basic Intelligence Projects listing was given to me during this morning's discussions with George W. Allen, who is Deputy Chief, Intelligence Division, USARPAC. I would suggest that you inform the USSR Branch of those projects of interest to them.

2. If you have the opportunity to track down the Intelligence Division's work on the 47 UW areas and are able to logically place their work in terms of what is going on here at Headquarters, I would appreciate knowing the results of your findings.
